Accommodation at the hotels is as indicated. In the event of any changes to accommodation, they will always be of the same, or a higher category. The category of hotels is not standardized across all countries in the world. For this reason, the criteria may differ depending on the destination country's own standards.

The extra bed in hotels are fold-out style and smaller in size than a standard single bed. Triple rooms are not bigger or more spacious only because they are occupied by 3 people.

This is a fast-paced itinerary that includes a comprehensive number of sights and activities in order to give you the most complete experience of Turkey! You can expect several early morning departures and a full daily schedule of activities. Total distance traveled by bus is around 2400 km.

In the case of adverse weather conditions, for safety reasons or for any other reasons deemed appropriate, the order and duration of the excursions included in the itinerary may be changed or cancelled without prior notice.

In Istanbul the transfer by bus to the activities is organised by hotel location, not language. Once you arrive at the destination the group is consolidated based on your language. You will always have a guide speaking your language available.

Very rarely during low season some group tour departures may be bilingual (spanish and english) although each group will have one guide for English and one guide for Spanish.

Payments at the destination with credit or debit cards may be subject to commission and fluctuations in currency exchange. We recommend making all payments in cash.

If you have reduced mobility, require the use of a wheelchair, or you would prefer this tour to be a private experience for you and your group, you must contact our Experts at +1 778 807 9750 before booking to ensure that your needs can be met.

While on the road, it is highly unlikely that the vehicle will be equipped with wifi or bathroom facilities, though rest stops will be made for long trips. We recommend purchasing a new SIM card at the airport or placing an e-SIM before travel to guarantee internet connection.

Room allocation: We will do our best to accommodate your family in the same room. If availability doesn't permit this, we guarantee your family will be accommodated as close together as possible. Children will always be accommodated in a room with at least 1 adult.

Booster seats: Not available in all destinations. Feel free to take your own if you need one.

These are the ONLY mandatory tips you will be required to pay for during this tour. Tipping for the rest of the trip is optional, but keep in mind that tipping is an important part of Turkish culture and that it is commonplace for service providers to ask for tips. In these cases, it is up to your personal discretion whether to tip or not.

Please note that passengers arriving to Turkey from January 15th 2023 onwards must make a tourism tax payment of \$10 per person. This payment is imposed by the Turkish Ministry of Tourism and is mandatory for all passengers entering their country. This tourist tax is not included in the total booking amount and it will be collected by the tour guide in order to be paid to the authorities.

Check the official websites of the migration and health agencies in your home country, destination and transit countries, as well as airline requirements. In the event of refusal by the authorities of exit or entry into the country of destination or transit due to the failure to meet required conditions or failure to carry the correct documentation, Exoticca assumes no responsibility and our no-show policy will apply, with any costs being incurred directly by the traveler.

If a traveler is found to have visited a country designated as State Sponsor of Terrorism (09.11.2022, Countries: Cuba, North Korea, Iran, Syria), the traveler is no longer eligible to participate in the Visa Waiver Program and must apply for a visa to enter the United States.
